FORMERLY THE PIOCHE WEEKLY RECORD.
PIOCHE, NEVADA, FRIDAY, SEPTEMBER 18 1903.

NO. 13.

Caliente and the Line.

Our new Constable is on the alert and around at all times.

James Olson is putting up a substantial building.

Doe Dorrell is putting up a fine home on the Boulevard.

School opened Monday with Miss Mammie Pettenger as teacher.

District Attorney Sanders visited our City during the week on legal business.

John Shier from Delamar is putting up a drug store which is badly needed in our City.

Mrs. Culverwell is putting up a large house near the old home place. Our best wishes for success.

Several big poker games were played during the week and several hundred dollars changed hands.

Pete Delmoe and Chas Culverwell Jr. have opened up a butcher shop, and are doing a good business.

Henry Eilers and the Editor of the Record, paid our metropolitan City a visit Saturday.

A Justice of the Peace office is opened, but so far no offenders have been brought before his Honor.

The Utah Construction Company have established headquarters here from which supplies will be shipped to camps along the line.

Mrs. C. C. Ronnow after spending a week visiting with friends departed for her home in Panaca Monday.

Jos and Chas. Ronnow have a contract to furnish the Railroad Co. with seven foot cedar posts which are to be used for fencing purposes along the line of the railroad.

Caliente at present has 19 saloons, five eating houses, four barber shops, three mds stores, two blacksmith shops, one livery stable, one butcher shop and one bathing resort.

Seventy-five carloads of all kinds of material and supplies have been received the past week by the Utah Construction Company at this place use in the construction work on the line.

Our genial Postmaster is kept busy these days. He seriously contemplates taking a course of study in Greek, Austrian, Italian and Finland so as to be able to decipher the heterogeneous mass of letters that arrive at his office daily.

The main track is being put down to keep pace with the graders and side tracks are being put in the material yard so that the trains can unload the ties and rails which will soon commence to arrive.

Dan McKinnon died Saturday afternoon about 5 o'clock of pneumonia. He had been on a prearranged spree for some time and was taken down with pneumonia. He did not go to bed but kept up and Saturday afternoon was found in the brush close to the road dead. He had been dead but a short while when found as he was seen about a half-hour before. He was buried Sunday. He leaves a sister in Oregon.

Already quite a force of men and teams are at work between here and the Pockets a distance of forty-five miles. Cory Brother have a subcontract of 12 miles at the Pockets and employ about 200 men. Camps have been established at Kiernan's Bradshaws, The Narrows, Caldwell's Carsons, Pippin & Dula, Conaways & Ryans ranches are about 800 men at work. Every day the train brings in more men and by the time the 85 miles is covered there will be not less than 1500 men at work.

The Postmaster General has directed that railroad train not carrying mail cars be allowed to carry newspapers to dealers along the route and that such packages be handled by the baggage men and be considered as United States mail and subject to all the protection that goes therewith. This will not only enable the readers of the great dailies to receive their papers much earlier than formerly in many cases, but will also place every train in the country under the protection of the United States government, as being mail trains, strikers are forbidden to molest or interfere with their transit in any way under penalty of the federal law. It will be a great boon to the railroad companies.

An Act relating to certain outstanding and unapplied-for County certificates issued against the Redemption Fund, Lincoln County, State of Nevada.

[Approved March 10, 1903.]

Whereas, Prior to the first day of April, A. D. 1875 certain and several evidence of indebtedness or county certificates were duly issued by the Board of County Commissioners of Lincoln County, State of Nevada, against the Redemption Fund of said county; and

Whereas, The outstanding county certificates so issued have not been presented for payment, although duly advertised as payable, with money to redeem them; and

Whereas, It is believed said outstanding county certificates have been lost or destroyed, and the person to whom said county certificates, now remaining and not applied for, were issued, will at once return them for payment; and

Whereas, Legitimate action should be taken in order that the books of the Auditor and Treasurer of said Lincoln County be relieved from carrying these certificates as cash balances; now therefore, The people of the State of Nevada, represented in the Senate and Assembly, do enact as follows:

Sec. 1. At the first regular meeting of the Board of Commissioners of Lincoln County, State of Nevada, after the approval of this Act, said Board of County Commissioners are hereby authorized, empowered and required to advertise in some daily or weekly newspaper published in Lincoln County, for the period of two months, on insertion each week—for the presentation for payment of all outstanding and unapplied-for county warrants issued against the Redemption Fund of said county prior to the first day of April, A. D. 1875.

Sec. 2. Upon the expiration of the time named for advertising in section one of this Act all outstanding and unapplied-for county certificates issued against the Redemption Fund of Lincoln County, State of Nevada, prior to the first day of April, A. D. 1875, and not presented at the office of the County Treasurer of said Lincoln County for payment, shall be deemed void. The County Auditor shall then notify the County Treasurer of the amount of said county certificates so declared void, whereupon the County Auditor and County Treasurer shall balance their respective books, by proper entries, briefly setting the provision of this Act for their authority.

Sec. 3. If at any time after the preceding sections of this act shall have been complied with, any county certificate issued against the Redemption Fund of Lincoln County, State of Nevada, prior to the first day of April, A. D. 1875, shall be presented at the office of the County Treasurer of Lincoln County, State of Nevada, for payment, said county certificate or certificates shall be deemed a just and legitimate claim against said county, and shall be allowed by the Board of County Commissioners of said county, and added and paid in the same manner as other claims against the county are allowed, audited and paid.

Sec. 4. This Act shall take effect on and after its approval.

Wherefore, Notice is hereby given to all persons whose names are on the books of the County Auditor and Treasurer of Lincoln County, State of Nevada, as above set forth, that strict compliance with the provisions of the Statute as above set forth must be adhered to, and more particularly the attention of all parties to the fact that unless a claim is presented at the office of the County Treasurer of said Lincoln County, State of Nevada, prior to the first day of April, A. D. 1875, the claimant will be forever barred.

Respectfully submitted by a regular Quarterly meeting held July 6, 1903.
